gun-owner and author of:

*America and Its Guns:  
A Theological Exposé*  
and  
*Gundamentalism  
and Where It Is Taking America*

### Panel Discussions:

#### A. From Concerned Citizen to Activist

Want to know about how you can be more informed and involved with the issue of gun violence? This panel will feature representatives from local, state, and national GVP organizations who offer a variety of ways that you can make a difference. Whether you are a concerned individual or someone who represents an organization wanting to do more, you'll find next steps in this panel discussion.

#### B. We're All in This Together

Gun violence affects us all. Suicides. Veteran PTSD. School and neighborhood shootings. Domestic violence. The ripple effects on public health and on families and communities are staggering. This panel will be made up of experts in the field, as well as victims of gun violence.

#### C. Paths to Healing

We write letters to the editor. We lobby in Congress and Statehouses. We march and we organize. But we also build awareness and find ways through the violence using creativity, spirituality, heart, and dedication. Explore healing and hope for the future with this panel that will feature some in our community who are making a difference.
