Community Outreach Grants

The mission of Heights Christian Church: As believers in Christ we are called to be God's loving servants: sharing our faith so others may believe, affirming scripture as our guide, seeking peace and justice, extending God's care in our community and the world.

Our congregation is committed to community involvement and support of organizations that reflect the values and areas of focus that are important to the life of the church. The Community Outreach Grant program is conducted as part of Heights Christian Church's regular outreach ministry. Nonprofit organizations may submit applications and congregation members can also submit applications on behalf of an organization. Grant applications are each spring (March through May) and typically each organization is eligible for funding once in any 12 month period. Maximum grant amount is \$1,000.

Community Outreach Grants provide funding to organizations that provide services/programs in the following areas of focus:

- Children and Youth
- Diversity
- Peace
- Education/Lifelong Learning/Literacy
